### **FIVE MINUTE VIDEOS**

There is no strict time limit on the five minute videos.

Time is counted from the start of the logo or title until the end credit leaves the screen.

Use the title that is given and use the assigned title as the topic for your video.

These videos are not competitive in any way

Up to two videos can be entered in the 5 minute videos in any one month.

Include a title – a Logo is not necessary – and finish with end credits.

Include the fact that you have used copyright free music.

### **VIDEO CLIPS**

These videos are made for entertainment and are not subject to any judging. If you would like comments made, you should include a note to request this action.

You must use the assigned title as the title of your video.

The maximum length of the clip is 10 minutes but it can be as short as you would like it to be. Always

Tell a story with your videos regardless of how long or how short it is.

Never present a video that hasn't been edited.

Two clips can be submitted each month
